Pinjarra Golf Club 2012 Centenary Pro-Am

Every year of the Pinjarra Golf Club is a highlight of the centenary celebration. We are planned to run a Centenary Pro-Am in May and we invite your company to be part of this prestigious community event.

Your company will be part of the WA and NT Centenary Pro-Am and as such will attract highly skilled interstate professional golfers. The event has an impressive record of being a well managed and highly successful tournament and it is expected that your participation will also attract the top players from the local area.

By sponsoring your company the unique opportunity to be part of this event as a Major Sponsor of the event, which will promote the growth of golf within our community. Centenary Pro-Am's are seen as the best way for young future champions to be developed and the event will be given wide coverage in the local media.
